

Murrayville-Woodson Food Pantry

501 Main

Murrayville, IL 62668

(217)882-4041

Residents of Murrayville and Woodson,

This letter is being sent to you to raise awareness of our local food pantry. The Murrayville-Woodson Community Food Pantry was formed in August of 2010 to serve the needs of families residing within the Murrayville-Woodson school district. The Pantry is open on the second Saturday of each month from 9:00 AM to 11:30 AM. There are no income requirements. On the initial visit to the pantry, individuals simply need to provide proof of residence. (a bill, ID, etc.) They will then be signed up to receive supplementary items to help feed themselves and their families.

The food being offered each month includes staples such as milk, eggs, and bread as well as a wide variety of other items. Typically we offer cereal, pasta, canned vegetables, fruit and soups, and beverages. Other items often available are meats, desserts, toiletries, and detergents to be distributed.

Anyone who could benefit from our food pantry is welcome.

The Murrayville-Woodson Community Food Pantry
